Person: **Dorothy Smith**

Image #1 This photo depicts five well-dressed adults in their older years standing in front of the corner of a well-constructed white-siding house with a shingled roof and brick chimney in the center of the roof. The home also has a few windows and shutters. Between the people are bushes around the house and a mountain in the background. I estimate the photo was taken in the summer in the 1950s or 1960s. The photo is torn at the top and right. The back side of the photo contains writing, and glue marks at the top. The persons within the photo are likely the following from left to right: Fred, Hyrum Smith, Sadie, Lydia, Midge" - - - - -
