In the afternoon Dr. John A. Widsoe [Widtsoe] talk on "the Harmony of Science and Religion". Was with Dorothy for the evening so went to see a show.

Nov. 23.

Attended classes all day and was especially interested in an inspiring talk given by David O. McKay. He is one of the truest and finest examples of a Mormon teacher I have ever seen. I spent the evening with Dorothy at her place.

Nov. 24.

Went through the Temple and did endowment work for Michael Chevalier now Dead. This work was done as a help to people out in our mission and was not an my ancestor.
