Dear Mom,

Happy Mother's Day!

Thanks for being such a great Mom to us. We appreciate your concern for us and know that you would do anything for us.

I want you to know that Charles is a good man and that I love him very much. You have taught him the gospel and all the things you should have.

It is now up to us to make it work. I have involved you when I shouldn't have.

You are great parents and worry about us too much. It is really up to us, now.

You have done all that you can for us and now in these coming years I hope you will enjoy yourselves - that the following years will be rich and full.

Your service for others has been a good example for me and our family.

Have a happy day and we're glad you're our mom.

Love, Charles and Sally and Family
