Dear Oliver –

With the rush of Richard's wedding plans & family reunions now past are you still as busy as ever with research and other projects?

With big families and their involvement there seems little time to catch up on one's projected goals.

Image #1pink tulipsDuring winter months I would like to get more done on illustrated records for family members.

Would be interested to know if you have negs. of old family homes and of different group pictures like early reunions with Mother and later.

Could I help you with any compilations for your B. of Rem. Or to have a binder for one(?) on hand?

Naomi offers our families her 30% discount from Bookcraft & I've made some good use of it. Tell me if I can ever shop there for you. They have B of R record supplies as well as books.

Have had newsy letters from Can. Friends, Hilda, & Orisa, saw Tom Green day of wedding, have occasional phone visits with Zola & with Melba Jarman who ret'd last June from Phoenix mission. Her eldest 2 sons are located there.

Home Rick was no worse for exposure on the 29th Dec. and that all your family will be blessed with a healthful & rewarding New Year. Love, Dorothy
