SLC

Dear Oliver –

On returning to SLC I find that there are several miscellaneous tributes here in Mother's (my) collection waiting to be checked as well as various snaps & photos that may add interest to the birthday program planned.

Before entering more material into her B. of Rem. I'd like you to have a chance to look these over.

Will you be coming to SLC any time this month or I will try to get down to send items with someone else.

Will try to glean pertinent statements from letters (with names) & put on one large sheet for your selection if needed.

Love

Dot
