Dear Grandma,

I'm sorry I have been so long in answering. I certainly enjoyed & appreciated your letter & will not be so negligent of my correspondence after this.

It has been so long now since we got home that everything that happened last winter seems like a dream. It always was a dream till last year & I can't convince myself yet

that the dream has materialized.

I'm glad you are able enough to resume your work in the Mesa Temple and hope you will long have the pleasure of doing so.

I would like to be down there this time of year when it isn't too warm. Our weather has been very mild & pleasant until to-day it rained, a north wind came & brought

snow.

Within a few hours everything was white with a blanket of snow nearly a foot deep. To-night it is so cold & slushy that I didn't go to church but Oliver &

father have gone.

Is Myrtle working in Phoenix now? I'm glad to know she is down there. It will be a change from what she has been doing I guess.

How does Foss enjoy his studies in Provo? I would write to him if I had his

address.

I am taking a post-graduate course in Art by Correspondence, & have a position here as advertiser & designer for a large copan company T Eaton Stores. Also teach a Primary & S. School class so am kept quite busy.

Am 10 lbs less than I was in Mesa but enjoying robust health. You asked if Prince Charming has glad to see me when I got home. All of my friends were glad to see me back but there was no Prince Charming to greet me.

----- END OF PAGE 4 -----

I haven't yet met him, but when I do I will surely tell you about him Grandma dear. I am just hoping I will be worthy of him. If I could get one to match Oliver & Marvin I would be proud. They are certainly two wonderful brothers and couldn't do without them. I am thankful Marvin is having a missionary experience. I know he will accomplish much good.

----- END OF PAGE 5 -----

Before Marvin left, mother read to me the Patriarchal blessing that Grandpa Smith gave Dad. Since then I have had a greater understanding of his mission here on the earth & it makes me feel very incompetent in living worth of him. My parents are certainly two of the most blessed spirits on earth & I am thankful for you as a Grandmother.

I don't feel capable of expressing any more. It's late & I must retire so will write again & also get the children to do so

Your devoted granddaughter Dorothy
