Title:
Provenance:

Category: **Image**
Person: **John Wickersham Woolley**
Date:

This is a formal portrait of John Wickersham Woolley, likely taken in a garden or backyard setting. His age, the style of his clothing, and the photographic process suggest sometime between 1920 and his death, in 1928. The image captures a moment of quiet contemplation, typical of portraiture from that era. The physical deterioration of the photograph, including fading and scratches, adds to its historical character.
